

HOW “IT” WORKS

A SIMPLE EXPLANATION

There are three (3) very important people that are directly involved in creating and maintaining a positive and effective (a.) termination of your debt; and (b.) resolution of other issue(s) for which you seek help from “**PURPLE SAGE RIGHTERS.**” (**PSR**)

Those people are:

- ✓ YOU,
- ✓ Your **PSR** Consultant,
- ✓ Your **PSR** Customer Support.

☛ **YOU**

Purple Sage Righters relies on you to provide us with accurate information about yourself and, if necessary, your specific debt situations. We have prepared this website document for you for that purpose. We also rely on you to have an “open mind,” a positive attitude, and a strong desire to create freedom and opportunity in every aspect of your life.

☛ **YOUR PURPLE SAGE RIGHTER’S CONSULTANT**

In most cases, you have already met your **PSR** Consultant and have agreed to work with that person. This is your first point of introduction to the technology **Purple Sage Righters** offers you. Your consultant is trained in our technology and means of communications, or knows what questions to ask to guide you in the process of filling out the information in this packet. The Consultant then takes the information you provide and coordinates it with your Customer Support assistant here at **Purple Sage Righters** home office.

☛ **CUSTOMER SUPPORT**

We have a team here at **Purple Sage Righters** specifically trained to take care of your questions, concerns, comments or suggestions. This team will be with you every step of the way on your journey to become educated, debt free, financially empowered, and confident in everything that you do.

THE PROCESS

The process we engage in is an “Administrative” process satisfying “due process of law” and “notice” as required by the ***Uniform Commercial Code*** in giving lawful notice to the creditor and also by tendering an offer of payment (in writing) in the form of a **CERTIFIED PROMISORY NOTE** to satisfy the demands of commercial law. We use such terms as “Banker’s Acceptance,” “Holder in due course” and “Dishonor.” This administrative process is augmented by your service of an “offer of performance” by-way-of a third-party (notarial) service, the purpose of which is for bolstering the strength of our technology and it’s usefulness to you.

We here at **PSR** have found this process and education to be very effective and empowering in creating a strong and solid foundation for you to build your life on.

Please contact your consultant if you have any questions before or during the process. We look forward to serving you for years to come.

Sincerely, **Purple Sage Righters**
